

## **2010 Hospice of the Northern Hills Benefit Ball**

SPEARFISH, SD “Remember When” has been selected as the theme for the 2010 Hospice of the Northern Hills Benefit Ball. This year’s theme will bring people back to an era where horses and buggies were common and life was simpler. Bill and Judith Warner won the theme naming contest at the 2009 Ball. As the winners, they will receive four tickets to the March 6, 2010 ball at the Spearfish Holiday Inn Convention Center.

“Remember When” will be the perfect romantic and elegant setting with the Dick Dittman Band once again on hand to set the dance floor in motion," said Mavis Jewitt, Hospice and Home Care Director.

“Michael Shaw is returning to serenade us as we enjoy dinner at our 13th annual ball. We have great support from generous local businesses and sponsors for this vital charity event to make it successful.” This formal, black-tie-optional event is the Hospice of the Northern Hills major fundraiser of the year, helping to meet the needs of Hospice patients. The 2009 Benefit Ball raised more than \$31,000 for hospice patients in the northern Black Hills.

There will be a five-course, gourmet sit-down meal. Helene Duhamel will serve as Mistress of Ceremony, the Dick Dittman Band will provide music and Boyd Larson will oversee the live auction. Tickets are \$60 each if purchased on or before February 14, 2010, and \$70 each after February 14.

The Hospice Ball has a limited number of tickets so the public is encouraged to purchase tickets as soon as possible. For more information, to sponsor, make a donation, or to reserve tickets, call Hospice of the Northern Hills at (605) 644-4242.
